> FOR THE ASSOCIATE COMMISSIONER, **EXAMINATIONS**

obert P. Wiemann, Director Administrative Appeals Office **DISCUSSION:** The nonimmigrant visa petition was denied by the director and is now before the Associate Commissioner for Examinations on appeal. The appeal will be dismissed.

The petitioner is a private medical practice with six employees and a stated gross annual income of \$441,000. It seeks to employ the beneficiary as a medical ophthalmic assistant for a period of three years. The director determined the petitioner had not established that the proffered position is a specialty occupation.

On appeal, the petitioner submits a statement.

8 C.F.R. 103.3(a)(l)(v) states that an officer to whom an appeal is taken shall summarily dismiss any appeal when the party concerned fails to identify specifically any erroneous conclusion of law or statement of fact for the appeal.

On appeal, the petitioner states that the offered position is a specialty occupation because it is not similar to that of a nurse or nurse's aid. The petitioner declares that it is willing to increase the proffered job's annual salary by \$10,000. However, the petitioner's statements standing alone cannot be considered as sufficient to identify any erroneous conclusion of law or statement of fact for the appeal. As the petitioner has provided no additional evidence on appeal to overcome the decision of the director, the appeal will be summarily dismissed in accordance with 8 C.F.R. 103.3 (a) (l) (v).

In visa petition proceedings, the burden of proof remains entirely with the petitioner. Section 291 of the Act, 8 U.S.C. 1361. Here, that burden has not been met. In accordance with 8 C.F.R. 103.3(a)(l)(v), the appeal will be summarily dismissed.

ORDER: The appeal is dismissed.
